Reference

Available upon request.

Former Jurist transitioning into the world of Web Development, bringing an eye for detail, excellent analytical skills, and the ability to keep up with a fast-paced environment.

Aiming to utilize my problem-solving skills and proactivity in any creative process that comes with building web applications.

Looking forward to becoming a part of a team with a growth mindset. I aspire to become a Front-End Developer with a strong knowledge of UX, and hope to combine technical and creative skills in my daily work.

Education

CareerFoundry GmbH

Full-Stack Web Development | 2020 January – September (in progress)

Built a portfolio website and several other projects from scratch using various libraries/frameworks, gained experience with testing and debugging, acquired competency in the principles of Agile project environments, and both Test-Driven and Behavior-Driven Development.

Károli Gáspár University – Faculty of Law

Jurist (MA) | 2011 - 2017

Qualification of diploma: Cum Laude

Károli Gáspár University – Faculty of Law

International Relations Expert (BA) | 2013 - 2016

Specialisation: International Economic Relations

Experience

Booking.com (Amsterdam)

Customer Service Guest Specialist | May 2019 – November 2019

Assisted customers with their requests by handling phone calls, emails and messages and using various online tools as part of a multilingual team in a challenging environment.

Deloitte Hungary

Tax Consultant, Global Innovation and Investment Incentives (Gig) | September 2018 – March 2019

Analyzed and researched subsidy opportunities and R&D activities of enterprises, created and translated client presentations, scoped potential new clients, supported business development and office administration.

Budapest Metropolitan Police Headquarters (BRFK)

Administrator, AETR | October 2017 – September 2018

Executed administrative tasks, maintained contact with clients, drafted decision proposals and kept track of relevant legal changes.
